

ALL No.

Music: Flight of the Eagle.

[The class freeze. The rabbit comes on stage again.]

Alice Are you real, or in my imagination?

Rabbit Your imagination is real, silly! Now come on.

[The chorus make a tunnel. The White Rabbit runs through the tunnel, Alice follows. The cast get into three circles surrounding Alice. They spin round her as the music plays. Alice is falling down the hole. Full cast leave in a kind of trance to the music.]

Music: Flight of the Eagle fades out once the physical theatre piece has finished.

Scene Two – Welcome to Wonderland

Music: Quirky Klezmer.

[The chorus come on with a bizarre collection of swimming props, armbands, inflatables, oars... They are all dressed as different animals, doing bizarre things in the water.]

Music fades out.

Alice Oh mouse, do you know the way out of this water?

No answer.

Alice Oh I wish Dinah my cat were here.

Mouse Cat!

Alice Do you not like cats?

Mouse *[Angry]* Not like cats? Would you like cats if you were a mouse?

[Full cast swim to the shore and dry themselves off. They sit in a circle with the mouse stood in the middle.]

Lory I'm wet.

Rat I'm wetter.

Dodo How are we going to get dry?

Dodo The best thing to get us dry would be a caucus race!

Alice What's a caucus race?

All: Murmurs of astonishment that she doesn't know.

Dodo Why the best way to explain it, is to do it!

All YES!

[Dodo lays out some random cones.]

Music: Quirky Klezmer.

[All do the caucus race – a crazy kind of run in different directions. Some might want to run bizarrely in slow motion, others may run fast, some jog with high knees, others crawl, some hop, some tip toe. The greater variety of movements the better.]

Music: Ends abruptly when the Dodo signals for it to end at about 40 seconds into the song.

Dodo The race is over!

Eaglet Who has won?

[Dodo thinks for a while, all stare in anticipation.]

Dodo Everyone has won and all must have prizes!

All Prizes, prizes!

Scene Three – Tweedledum and Tweedledee

Music: Avenge the Mugwump.

[Tweedledum and Tweedledee enter. Alice follows, gloves still in her hands.]
